Kit and Kat are good friends. They live in the jungle and their favourite pastime is to swing from tree to tree. Kit likes to eat bananas while Kat loves wild berries. Kit has brown fur, while Kat's is gray. Both have small ears and a long tail each. Kit is very friendly and has many friends. However, Kat is a little shy and timid.

Kit comes from a large family with nine siblings while Kat has two sisters. One day while playing hide-and-seek, Kit and Kat hear a loud neigh. It is a cry for help. Both the pals swing as fast as lightning to reach the victim. When they reach a clearing in the jungle, they find Polly crushed beneath a huge log!

Now, Polly is the most boastful of all the jungle dwellers. She likes to show off her long, thick and shiny tail and strong legs. She also claims to be the fastest of them all. She chooses to be friends with her clan only. However, Kit and Kat feel pity for her and try to free her from being crushed further. They roll their long tails around the log and hug a tree nearby. Then, they huff and puff as they pull the huge log with all their might.

Finally, the log is lifted a little and Polly quickly rolls up from the spot. She is very grateful to Kit and Kat and thanks them for saving her life. She feels ashamed and apologises to them for her naughty behavior all these years. From that day onwards, Polly **turns over a new leaf**. Kit and Kat are happy to have done a good deed.

Ramli : Oh yes, I'm sure that you too were busy preparing for the recent examination that all the Year 6 pupils nationwide had to sit for. It was a really nice hectic time for us. Don't you think so?
